The regiment is 1,100 to 1,150 men strong. The men wear green shoulder boards.

During the whole of 1953 the food was very bad. The pay of the common soldier is 62 forints a month of which he is required to pay two for his paper, 10 for cigarettes and 15 for the "peace loan".

6. The regiment is partly motorized, having 75 to 80 trucks, which serve all heavy weapons formation.

State of the State

7. During its stay at Lenti there were attached to the regiment an armored car company with 10 to 12 armored cars and an armored company with twelve T-34/85 tanks.
